About the peak

Slide is an easy hike with wonderful views of the surrounding San Bernardino Mountains. There are the remains of old ski lifts on top. Slide is usually hiked in combination with nearby Keller and Mill, all of which can be reached on paved road.

Route 1 follows use trail and old road to the peak. One can also approach over a bump from the southwest.

Special conditions: It is suggested the peak not be climbed during ski season, since it is at the top of one of the Snow Summit ski runs.
